## Driving Purpose and Exposure Young Drivers

## Tsippy Lotan

2009 International Symposium on Teen Driver Safety 20.08.09

## The Questions

- How much do young drivers drive ?
- When do they drive ?
- Where do they go ?
- Why do they drive ?
- Who drives ?
- With whom do they drive ?
- How do they drive ?
- How do all these factors interact ?

## Driving Purpose

Trip Purposes

Percent of surveyed teens who say they make these trips at least sometimes
restaurants, bars, disco meeting friends

Sports
Stauffacher et al. 2005

Cruising or driving with no particular destination, Sterff, 1994

## Or Yarok

## The bottom line

 $F \cup N$

Or Yarok

## Exposure

Hours Teens Estimate They Drive Per Week

Vehicles Teens Drive $\qquad$

Percent of teens who say they drive these vehicles most often

US and NSW research has confirmed young drivers still tended to drive in conditions of greater risk more often than experienced drivers: on weekends, at night and with peers in recreational circumstances, Senserrick \& Haworth, 2005

## Or Yarok

## Exposure - cont

Ann McCartt et, al. 2003

## Or Yarok

## Exposure - crash data

België/Belgique

PEOPLE AGED 18-25 KILLED IN ROAD ACCIDENTS, FOR EACH HOUR AND DAY OF THE WEEK
(RATE BY POPULATION IN THE AGE GROUP (rate per million population
AVERAGE OF 5 LAST YEARS AVAILABLE 2002
CARE

## Or Yarok

## Methodology - data sources

-Surveys
-Logbooks
-Crash records
-Naturalistic data

## On the relation between exposure and crashes

Young drivers - Crash involvement
